

## FINDING THE PERFECT CANDIDATE JUST GOT EASIER WITH CV SEARCH

Introducing a new feature to the Intiva platform—search CVs for thousands of verified medical professionals. Our robust tool allows you to refine your search by license, specialty, location, education, experience, & much more. Find ideal candidates and request to connect or save their CV for future searches.

## OUR POWERFUL JOB SEARCH ENGINE & DASHBOARD, CREATED WITH YOU IN MIND

Your job dashboard makes hiring fast and efficient, complete with notifications the moment a candidate applies. Simply click on the candidate & instantly see their Digital CV. Enhanced applicant tracking combined with our unique search engine makes it easier than ever to find the perfect candidate for any specialty position.

## SEE THE WHOLE PICTURE WITH FACILITY REVIEWS AND RATINGS

With our newly released feature, healthcare providers can get the whole story about their next employer, including benefits, workplace culture, & leadership. Facilities & medical groups can gather anonymous feedback from real employees about everything they are doing right, & areas they need to improve.
